5000+ Projects

2000+ Clients

CEO, TOXSL TECHNOLOGIES

Shiv Charan Panjeta established the software development company in the year 2012, ToXSL Technologies with a modest bunch of individuals, who had a dream of attaining excellence in the technology industry.

CEO's leadership quality provides managers and the ToXSL family to get positive energy for the best performance in their work and attain the company's goals.

In the years to come, he is planning to implement more advanced strategies, tools, and techniques under the company's framework for offering better productivity in the market.

Here is a Timeline of our Journey

ToXSL wasn't built in a day! Let's pay a tribute to the paths we have traveled together.

2012

We began with a team of 10-15 employees. From day one, we were dedicated, believed in success, and had faith in our skills.

2015

We were recognized as a successful and leading IT company with more than 60 employees.

Delivered more than 100 Web & Mobile app projects worldwide.

Celebrated Lakshay 3
